

## PHOENIX HAS THIRTY DAY FOOD SUPPLY, SAYS WHOLESALE MAN

"Phoenix has a large enough food supply to last thirty days," said W. D. Berry, representative of Haas, Batuch & Co., yesterday afternoon.

Mr. Berry is in a position to be better informed as to the food supply of Phoenix than any one else at present in town. He represents one of the largest wholesale houses in the United States and does an extensive business here in the valley.

"I am positive that if the railroad strike lasts thirty days and not a pound of foodstuff is brought into the city, that there will be no apparent shortage here. I can see no reason why there should be. The large wholesale houses in the valley have large stocks of canned goods and other staple supplies, while there is enough wheat in the valley to keep the flour mills running full time for longer than that period. There is enough beef being fattened in the valley to keep up that end of the diet. Of course, some shopkeepers may get hysterical and boost prices, but their reason can be no other than an artificial one."

The management of the Adams hotel stated yesterday that from all information received, they anticipate no let-up in their business due to the strike. The railroads have informed them that at least one passenger train will be run from the main lines. In addition to this they are feeling no let-up in their business due to the strike. The railroads have informed them that at least one passenger train will be run from the main lines. In addition to this they are feeling no let-up in their business due to the strike.

One prominent labor leader stated yesterday afternoon that he was positive that there would be a strike. He said that the men have nothing to fear from the railroads and that the statement made by the roads to the effect

that all men quitting would not be taken back as now employed could not be enforced. His reason given for this is that a second strike would ensue the moment an old employee was put at the bottom of the list. He expressed himself as positive that all the men who belonged to the brotherhoods would go out on the strike and that the threat made by the roads would have little or no influence.

At the adjutant general's office there existed a feeling that in case the men went on strike, militiamen with engine experience would be put to hauling the trains which supply the outlying posts along the border.

Captain Temple, assistant adjutant general, stated that in case of necessity he could probably get enough men from the Arizona guard to take care of the shortage along the Arizona border. In this connection the captain, who served thirty years in the regular army, related his experiences in the Pullman strike in Chicago a few years after the world's fair in that city. He was a member of a detachment of regular light artillery ordered by the president to take the place of the militiamen, who had been intimidated by the strikers. As the train carrying the batteries approached Chicago, the crew lost their nerve and left the train. The commanding officer called for some member of the detachment to run the engine, and the captain, having had railroad experience, volunteered. He brought the train in all right, but the way he described his experiences, was anything but tragic. When asked if he would volunteer for service this time, the captain, after due deliberation, decided that he was safer in the capitol.

## National League UPWARD FLIGHT IS HALTED BY PIRATES

[Republican A. P. Leased Wire]

PITTSBURG, Aug. 31.—Pittsburg won the final game of the series here today from Boston. The Pirates scored two runs in the third on hits by Maunax, Warner and Carey and Fitzpatrick's error, and another in the fourth on Farmer's triple and Schmidt's sacrifice fly. Make's single, Bigbee's error and Konech's sacrifice fly gave the visitors a tally in the seventh, and another run was made in the next inning on a base on balls, an error and Chappelle's hit.

The game was called at the end of the first half of the eighth inning to permit Boston to catch a train. Score: Boston. ABRHPOA

## CUBS RAMP ON CARDS

[Republican A. P. Leased Wire]

ST. LOUIS, Aug. 31.—Chicago romped over the locals today in one of the poorest exhibitions seen on the local diamond. But one of the visitors' runs was earned and eight of the locals' nine errors were made by the infield. Packard pitched a strong game, only one of the locals getting beyond first until the eighth, when Smith's triple and a sacrifice fly by Long saved St. Louis from a shutout. Score: Chicago. ABRHPOA

## STRIKE GLOOM LIFTS; FIGHT-TOWN HAPPY

[Republican A. P. Leased Wire]

COLORADO SPRINGS, Colo., Aug. 31.—The receipt here today of press dispatches indicating that the railroad strike situation would be unlikely to interfere with the arrangements of the 20-round championship bout next Monday afternoon between Freddie Welsh and Charley White has lifted a pall of gloom from the city's peak region. As a result, telegrams calling for seat reservations have been coming in from Chicago, St. Louis, Salt Lake City and cities on both sides of the Atlantic and Pacific seaboards. Probably no community in the country has followed the strike developments more closely than Colorado Springs, for the entire population has taken a personal interest in the success of the fight.

## Crowded Training Camps

Both Welsh and White trained today before capacity houses and their fast work was awarded frequent applause. Welsh is down to his fighting weight of 135 pounds, while his opponent is three-quarters of a pound heavier. What little betting that has taken place locally has been at even odds. Every train that comes into town now is bringing new arrivals. Preparations have been made for parking 2,500 automobiles.

## Two Colored Players May Be Used

The Covote line up the coming season. They are to enter school, and both are known as crack athletes. The precedent of playing men of their race is not with a high school, but has been established for many a year. Harvard has had some nifty players of the colored race. The big trip will be taken by the Covotes this season. It will be in a northerly direction, and will include contests on the home grids of the Prescott and Flagstaff high schools, Tucson, Tempe normal, Glendale and possibly Tempe high will be other opponents of the 1916 Covotes.
